

VISITOR INFORMATION

Ann Arbor is best known as the home of the main campus for the University of Michigan. The city's economy is dominated by education, high-tech, and biotechnology. The city is also well known locally as a destination for dining out and entertainment, as it contains a wide and eclectic variety of restaurants and performance venues. With many cultural and sporting events taking place in the area, we advise that reservations be made as soon as possible to assure availability.

Following is a list of some of the hotels in close proximity to our Ann Arbor office. We have corporate rates with some of the hotels. When making your reservations, please ask about the Corporate rate for Applied Dynamics International and compare it with your Corporate or promotional rate to obtain the lowest rate. For your convenience, a map indicating the location of the hotels as well as some of the restaurants in the area follows the list.
